Legendary Sports Prints Releases Tom Seaver Artwork LSP - MLBPA Series Reaches 3 Paintings

Plantsville, CT – December 1, 2007 – Legendary Sports Prints (LSP) previously announced commitment to join with The Major League Baseball Players Alumni Association (MLBPAA) to release a series of sports art featuring past Hall of Fame baseball players has resulted in its third painting with the release of “Seaver’s 10K Day.” The painting commemorates the New York Mets’ Tom Seaver striking out a record ten straight batters on April 22, 1970.

“Seaver’s 10K Day” is LSP’s third painting in this series conceived between LSP and MLBPAA. The previous two paintings, released earlier this year, each commemorate the Baltimore Orioles’ Brooks Robinson and the Chicago Cubs Fergie Jenkins. Each print in the series is licensed by Major League Baseball Properties and each respective player. A portion of the sale of each of these prints will go to further the causes of the Major League Baseball Players Alumni Association, a non-profit, 501(c) 3 organization.

The original paintings as well as the reproductions are available through LSP’s dealer network, the MLBPAA and LSP’s web site at www.sportslithographs.com.
